

Dear [name]

GLinkedIn is finally here!

We made a new app to assist throughout your journey and help you reach your first dream job. We bring together training and placement under one platform because we want to give you tools to succeed on the professional world 🚀

So, what is GLinkedIn all about?

Your first dream job is waiting for you.
+3K companies are associated with
GLinkedIn to help you to develop your
professional growth

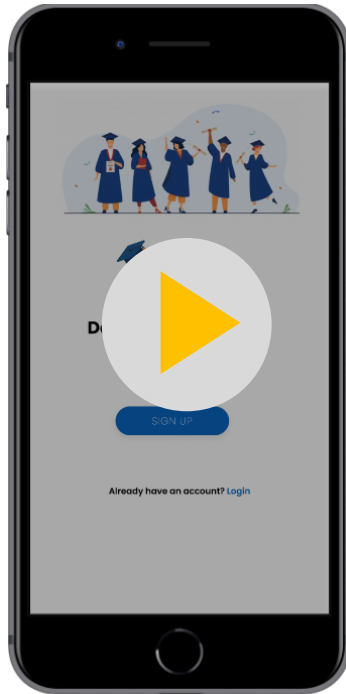

Access to learning platforms like
Datacamp, Data Scientist 365 and more
with +20K expert-led trainings with
certifications

Personalized mentoring with the top
leaders on the market who are waiting
to solve all your questions

Take a tiny look!
Press play and live the GLinkedIn experience 🤖
